Section 4: Your Child and Family Outcomes

This section identifies a child or family outcome based on what you want to accomplish, as well as the steps to meet your outcome. The outcome is based on the information you shared about your family's daily life during the child and family assessment(s). Each IFSP outcome must be written in words easily understandable by everyone and with enough detail so the entire team will know when it is accomplished. Outcomes should be based on what you would like to see happen within your family's activities as a result of EI supports and services.
