If your child is eligible for Ohio Early Intervention:

Ohio EI proposes to work with you to develop an Individualized Family Service Plan (IFSP), including "outcomes" (or goals) and early intervention services needed to meet those outcomes. When Ohio EI determines that your child is eligible, you must receive prior written notice at least ten calendar days before beginning or changing an EI service, which will be added to your family's plan during an IFSP meeting. If desired, you will be able to waive the ten calendar days prior to beginning an EI service within Section 6 of the IFSP.

Your EI service coordinator will work with you to schedule an IFSP meeting.

If your child is NOT eligible for Ohio Early Intervention:

This means your child is currently demonstrating skills and behaviors similar to same-age children.

Ohio EI proposes to exit your child from the EI system no sooner than 10 days from the date of this notice. In the boxes below, your evaluation team has provided recommendations for promoting your child's development and potential community supports and resources that may be beneficial to your family.

As the parent, you have dispute resolution options available. A copy of your EI Parent Rights brochure is enclosed. Please contact your EI service coordinator if you have any questions about or disagree with these results. You may also contact the service coordinator if you have new concerns about your child's development before the age of three.
